

July 13th, 2018**Advent Technologies participates in 2018 National Fuel Cell & Hydrogen Forum**

On July 12th, 2018, Dr. Emory De Castro, CTO, represented Advent Technologies as one of more than 350 industry representatives from around the world in attendance at the 2018 National Fuel Cell & Hydrogen Forum in Washington, DC, hosted by the Fuel Cell & Hydrogen Energy Association. The forum featured numerous prominent speakers, including members of the US Congress, the US Department of Energy, the US Department of Transportation, as well as fuel cell and hydrogen industry executives. In addition, Advent Technologies was one of twelve exhibitors given a booth at the Fuel Cell & Hydrogen Energy Technology Showcase, joining other worldwide energy leaders such as Toyota, Honda, Plug Power, and the U.S. Department of Energy National Laboratories.
