

December 2014

Materials Research Society (MRS) Fall Meeting

The MRS Fall Meeting was held from November 30rd to 5th 2014 at Boston, Massachusetts USA (<http://www.mrs.org/fall2014/>). On behalf of Advent Technologies, Dr. Vasilis Gregoriou participated in this conference presenting the activities of ADVENT in organic electronic materials as a member of a collaboration including partners from Imperial College London and Istituto Italiano di Tecnologia Milan. The title of the poster presentation is: **Development of Conjugated Polymers with Optimized Optical and Electronic Properties for Single and Tandem Organic Photovoltaic Configurations**

Advent Technologies is a world leader in the development of new materials and systems for energy applications. Advent Technologies is headquartered in Cambridge, MA, USA. The company also occupies research and development space in Patras, Greece where pilot manufacturing is taking place.

Advent Technologies Inc	One Mifflin Place, Suite 400, Cambridge, MA	T: +1 857 264 7035
